

Disability Resource Expo

<http://www.disabilityresourceexpo.org/>

The Disability Resource Expo needs your help! This is an annual event that brings together service providers from around the Champaign-Urbana area and beyond who work with people with disabilities and their families. The Expo is great opportunity for people to get connected to services that they need and to discover resources they did not know were available.

But it needs your help! The Expo can't happen without the help of its many generous volunteers. Support needs include:

- Helping with set up
- Moving materials and supplies
- Helping with kid's activities and crafts
- Greeting and counting attendees
- Helping entertainment and presenters
- Loading and unloading materials

Support is needed on the following days:

- Friday PM, October 14th
- Saturday early AM, October 15th
- Saturday AM and PM, October 15th
- Monday PM, October 17th

Volunteering is a fun way to get to know many people in this community and see all the amazing resources that we have!
